

National Census

Internet response period Sep.14(Mon)→Oct.7(Wed)

- This is a notice from Osaka City.
 - Every 5 years, a “National Census” is conducted
 - The “National Census” is the most important statistical survey in Japan.
 - Please indicate your situation as of October 1, 2020.
 - The census applies to all residents of Japan (including foreigners staying for more than 3 months).
 - You can answer the census on the Internet from September 14th.
 - Please answer the census from your computer or cellphone using the login ID and access key that will be sent to your home.
 - If you miss the Internet submission deadline, or if you do not have the means to connect to the internet, please fill out the paper questionnaire and send it using the submission envelope.
- ※ To prevent the spread of the novel coronavirus, we will adopt a survey method that does not require investigators to have direct contact with the households.
