About Christmas

2020年は結構大変な年でしたけどもうすぐみんなの好きなクリスマスが来ます。みなさんの母国はどうやってクリスマスを過ごしますか？

ベルギーでは家族と一緒にご飯を食べたり、プレゼントをあげたり、もらったりします。日本では家族と一緒にではなく、友達や恋人と一緒に過ごす人が多いです。友達とクリスマスパーティー、恋人とはKFCとケーキを食べる文化があるそうです。今年はコロナでパーティーを行うのは難しいと思いますが、恋人達は自宅でクリスマスディナーができると思います。

日本に来てから3年になって、毎年帰らず日本で友達とクリスマスパーティーをしています。やっぱり家族と一緒にいないのは少し寂しいですね。それは留学の一つのデメリットだと思います。

確かに家族と過ごすのは自分にとって大事なことです。私は日本で一人ではないので、友達とクリスマスを過ごして、今年も色々な大切な思い出を作りたいです。

みなさんコロナに負けないで

良いお年を。

About Christmas

2020 was a tough year, but everyone's favorite Christmas is coming soon. How do you spend Christmas in your home country?

In Belgium, we eat, give and receive gifts with our families. In Japan, many people spend this time of the year with friends or in couple, not with their families. It seems that there is a culture of doing Christmas parties with friends, and eat KFC and cake in couple. I think it's difficult to have a party this year because of Corona virus, but I think that couples can still have a Christmas dinner at home.

It's been three years since I came to Japan, and I have a Christmas party with my friends every year, but still I feel kind of sad of not being with my family. I think that is one of the disadvantages of studying abroad.

It's certainly important for me to spend time with my family, but I'm not alone here in Japan, so I want to spend Christmas with my friends (if it is possible because of Corona) and make precious memories this year as well.

Don't lose to Corona

I wish everybody a merry Christmas and a happy new year in advance.
